What is Online Testing Center?

YouTestMe online testing center is a one-stop solution where you can outsource every step of your examination process for a one-time fee, without the need to rent or buy the software.

Brick-and-Mortar test centers belong to the past.

We transfer, preserve and strengthen the integrity of traditional examinations in testing centers to the comfort of your home.

With zero involvement, you will get a seamless testing experience.

Organizations worldwide have already switched to the online testing center to save time and reduce administrative costs. You pay only for the test session. No strings attached.

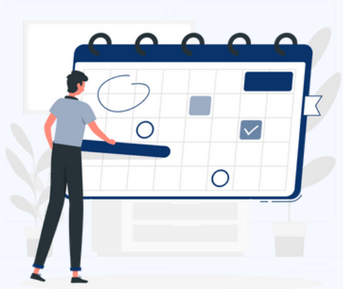
How Does It Work?

01

Book time for your exam, provide us with questions and the list of candidates



02

YouTestMe team creates your test and assigns proctors to sessions

03

YouTestMe proctors welcome your students and monitor them during the whole process

04

After the session ends, we deliver final results, and proctoring reports
